Dear Friends and Members of the Sacramento Community,

We are very much looking forward to our 5th Annual Celebration of Hope. The event will look a bit different this year as we will be going virtual but our tradition of bringing friends, family, and our community together remains.

The Covid-19 pandemic has placed an unexpected burden on victims of family violence. Since the beginning of the pandemic, demand for our services has ***more than doubled*** compared to 2019. We have remained open throughout the pandemic to ensure victims in our community get the services they desperately need. I may be biased but our staff are truly pandemic heroes!

I hope you will consider a sponsorship for this year's Celebration. Your support is more critical than ever! On behalf of the board of directors, staff, and victims we serve, thank you for your continued support!

With hope and well wishes,

Faith Whitmore
CEO, Sacramento Regional Family Justice Center
